

The Taconic High School Carpentry Program of the Pittsfield Public Schools is seeking an off-grounds project for the 2015-2016 school year. The scope of work may include: new house construction, additions to existing homes, renovations or garages. Interested parties must submit a completed application of their project. These applications can be found on our website www.pittsfield.net or at the Mercer Administration Center, 269 First Street, Room 100 in Pittsfield. You may submit your completed application to lwhitney@pittsfield.net or mail to:

The Office of College and Career Readiness
Pittsfield Public Schools
269 First Street Room 100
Pittsfield, MA 01201

Deadline for all applications is March 2, 2015.
